MEETING PLACE Attention!

I understand that our session at Vern's house was successful and that we won't have a second session. **Therefore, Hill Country Turners** will, once again, meet in the basement of the KACC (Kerr Arts & Cultural Center) at 228 Earl Garrett, Kerrville, Texas at 6:30 pm on the above date.

November Meeting

James Johnson will be the presenter at the November meeting. I talked to him this morning and he hadn't chosen a topic, but you know it will be a corker. Be there!

Also, at the November meeting, Uel Clanton said he has received another box of sandpaper from Klingspor. He will bring the box of sandpaper to the November meeting and include it in the raffle. This will be a great opportunity for someone to win a big box of sandpaper for a buck.

Also, also, at the November Meeting: If you didn't make it in October, don't forget dues. Individuals are \$35 and Family \$40.

October Meeting

By Joe Johnson

The October meeting at Vern's place went just fine. He had everything well organized and there was a good turn-out of workers. We were able to turn most of the toy car bodies and do some of the other machining prior to assembly. A few folks took some pieces home to work on and others volunteered to come back and help out with the assembly. All in all, a good meeting

HCT Show Flash!

The setup time for our own turnings show is Nov. 9 starting at 11 A.M. and the show will run from Nov. 12 through Dec. 6. Any turnings not sold must be picked up on Dec. 7 between the hours of 9 to 11 A.M.

The club will limit each turner to 5 turnings of good quality. This is our chance to shine so select your best and be represented. You have time to make something you like, so don't be shy. Show it off!

Last Demonstrator for This Year
