Hill Country Turners  
Monthly Newsletter

Volume #13

Issue #1

## Disclaimer:

I will attempt to put out a newsletter until we can find a more capably and computer savvy person. I tried to use Vance's format, but could not make it work so had to resort to Microsoft Word and hope this format will work for most.

## Meeting Time & Place

KACC, basement at 6:30 P.M. on January 10, 2008

## Programs/Demos

January 2008 – L.A. Cude will demo lacquer spraying techniques.

February 2008 – Larry Werth – Japan Paints and patination of silverleaf.

The rest of the year is open, so will be asking for help.

## Misc. News and Information

Bill Hussey will be putting together an order for Craft Supply.

We will have to generate a new list of people responsible for cookies/drinks, so I (Larry Werth) will supply for January meeting.

**We will be collecting dues for 2008 which are \$35 for single or \$40 for family.**

## **“The BIG CHIPS” of HCT**

Hill country turners is a chapter of the American Association of Woodturners dedicated to providing education, information and a place to meet and discuss woodworking and woodturning.
