HANDS ON TURNING

(Learn new techniques and methods before the meeting starts)

Tool Sale

Come One Come All

We will have a special 4:00 activity at the Feb. meeting to conduct a tool sale. Bring all the tools that you bought over the years that you no longer use and sell them to fellow members who are looking for just the right tool for their next project. This should prove to be a fun event as you bargain to get some value back from those tools that just seem to take up space. This will also be a fundraiser for the club as we will charge a 10% fee on all sales to put in the club treasury. If this turns out to be a well attended and successful activity, we may schedule sales in the future.

Notes from the Last Meeting

The club meeting for Jan. was the start of a new year under the direction of the new club officers. Johnny Jones introduced the newly elected officers and discussed some of the planned events for the year.

Raul was our demonstrator for the Jan. meeting. He showed us how he designs and turns his nautilus pieces. This was one of the best demonstrations in a while and illustrated the talent and expertise by one of the master turners of our club. A great educational opportunity!

Announcement:

If you have not paid your annual dues for the year, please be prepared to do so at the Feb. meeting. Annual dues for individual members are \$35.00 or \$40.00 for family membership.

BRINGBACKS

The following bring-backs are due at the Feb. meeting.

Roger Arnold 1	Jerry Bennett 1
Larry Walton 1	Chuck Felton 1
