Hill Country Turners
Monthly Newsletter

Volume #13

Issue #1

Disclaimer:

I will attempt to put out a newsletter until we can find a more capably and computer savvy person. I tried to use Vance's format, but could not make it work so had to resort to Microsoft Word and hope this format will work for most.

Meeting Time & Place

KACC, basement at 6:30 P.M. on January 10, 2008

Programs/Demos

January 2008 – L.A. Cude will demo lacquer spraying techniques.

February 2008 – Larry Werth – Japan Paints and patination of silverleaf.

The rest of the year is open, so will be asking for help.

Misc. News and Information

Bill Hussey will be putting together an order for Craft Supply.

We will have to generate a new list of people responsible for cookies/drinks, so I (Larry Werth) will supply for January meeting.

We will be collecting dues for 2008 which are \$35 for single or \$40 for family.
